
COOKIE POLICY

This Policy is intended to explain how **SOCAL TRADE LTD** ("Company") optimizes your trading experience through the use of cookies. These cookies help by:

- Remembering your preferences, location, preferred language, browser settings, and other details to enhance your user experience;
- Authenticating your identity for security purposes;
- Ensuring the functionality and maintenance of our website and its available features;
- Analyzing and tracking how you use our services to improve performance and user experience;
- Customizing our platform based on your trading habits and ensuring compliance with our regulatory requirements.

What are cookies?

Cookies are small data files that are sent to your computer by a website and stored on your device. These files are non-executable and cannot be used to install any malicious software. Instead, cookies help websites recognize returning visitors and store basic information about their preferences, which is updated each time you return to the website. This helps in providing a smoother, more personalized browsing experience.

For more information about cookies, you can visit: allaboutcookies.org.

Managing your cookies

We respect your right to privacy, and we provide tools to help you manage the cookies you receive from our website services.

Some cookies are essential to the functioning of our platform, and if you wish to continue using our services, you cannot opt out of these necessary cookies. However, for non-essential cookies, we offer an "opt-out" option that you can select if you prefer not to receive them.

Your browser may also offer settings to block or control the storage of cookies on your device. You can refer to the "Help" section of your browser for further guidance on how to manage cookies. Please note that by continuing to use our web services without blocking cookies, you are giving your consent to the use of cookies as outlined in this policy.
